DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

Manuel Mendez
Primary Examiner
Art Unit: 3763

Response to Amendment

The reply filed on January 5, 2006 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

In relation to claim 1, the examiner noticed that the claim was amended "to recite that the barrier is coupled to the sidewall". However, the specification appears to lack support for this language. Accordingly, in order to expedite the prosecution of this application, the examiner invites applicant to provide comments concerning the support in the specification of the language in question. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Manuel Mendez whose telephone number is 703-272-4977. The examiner can normally be reached on 0730-1800 hrs.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Mr. Nicholas D. Lucchesi can be reached on 571-272-4977. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Application/Control Number: 10/601,611
